We Deserve **A Kudos!**

About Us

Kudos Events is an Events & Exhibitions Company based in Saudi Arabia. Our aim is to be market leaders in providing the best solutions to all our clients' needs.

We are a team of experts with over 15 years of experience in events & exhibitions industry. We manage all forms of events from corporate events to exhibitions, our clients set the requirements and we handle every aspect with care to ensure every tailored project we deliver is a success.

We pride ourselves, in building strong business ties, by putting our client's needs first and developing relationships with longevity built on trust and reliability. We believe that listening to our clients and understanding their business requirements are paramount to delivering an outstanding experience. We transform our clients' ideas into reality and deliver a unique and first-class event experience.

Our Mission

We not only provide solutions and creative ideas, but go one step further and provide a complete service package that will enhance our clients brand profile in their designated market. With our integrated business and creative teams, we intend to expand Kudos, across the Middle East and Europe, attracting a diverse clientel, offering communication to our clients in both Arabic and English.

We will endeavour to help our clients expand their business wider. We understand the latest market trends and technologies and intend to provide our clients with solutions that will exceed their expectations.

PRODUCTIONS

Services

The Project process starts with creating a creative design by our professional design department.

Execution / fabricating with fully equipped production house of 2500 Sqm including (carpentries, steelwork, spray painting workshop, acrylic workshop, printing center), plus the availability of our own furniture stock, screens, electrical gadgets, accessories, etc.

Handing over the project by our professional installation & operation team who make sure that the project was built and dismantled on the perfect scheduled time with the best quality.

Events Production

We help imagine, create, build and bring to life unique events concepts that reflect and enhance your brand image.

Exhibition Stands

Kudos productions designs and builds exhibition stands for clients' unique requirements and budgets.

We manage the project from brief and design through to the build by our production team.

Pavilions

We provide pavilion stand setup services throughout Saudi Arabia & worldwide. Our pavilion construction services are characterized by high quality construction that reflects the unique characteristics of each country and a high degree of flexibility.

Roadshow

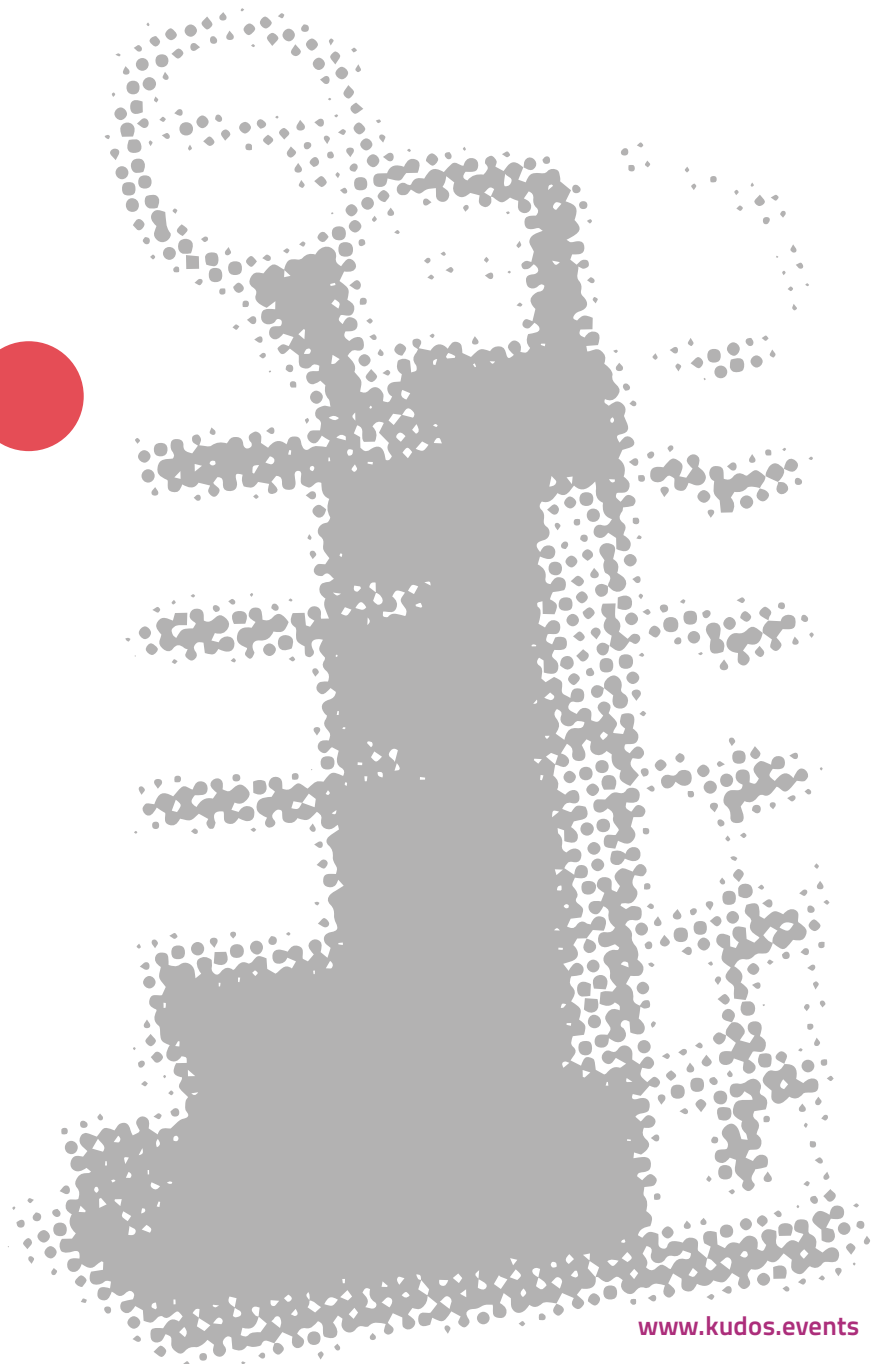

Kudos Productions is proudly has the capabilities to handle Roadshows series of events held in numerous cities to reach the target audience for the sales pitch or promotion activity for our unique clients brands, we can simply be a part of inspiration for pour next mobile campaign and go where the targeted audience is.

Mall Kiosks

We're one of the biggest fans of our clients when they decide to locate their unique kiosks in malls, hotels, airports, to take care of designing and building a memorable kiosk at their chosen preferable location.

P.O.S & Product Stands

We dedicate our passion for our clients brand loyal customers when they require to support their products with an outstanding promotion/product stands and gondolas, offering a different aspect and scale all over the market of Saudi Arabia and gulf countries.

B2BARENA

REACH YOUR POTENTIAL PARTNER

It is your business to business meeting space in every exhibition dedicated to connect the business visitor and the exhibitor in one place. It is a great opportunity for exhibitors to get in touch and pre-arrange meetings with key executives and primes and for visitors to meet suppliers from around the world; a very effective way to enter into contact with potential partners, to create new opportunities and do business.

MORE ABOUT B2B ARENA

Is an online meeting scheduler between business to business at the exhibition space. The product itself is created to help the organizer sell the exhibition as they add a key benefit for the exhibitor as it could make them connect directly to their potential business. It will connect the exhibitor with the other exhibitor or a key business visitor, by just schedule a direct meeting with the key person that he needs from all the exhibitors and visitors list.
